OVER SIZE FUEL PUMP For S14/ECR33

**Drop-in to the
stock bracket!**

Easy drop-in design!!

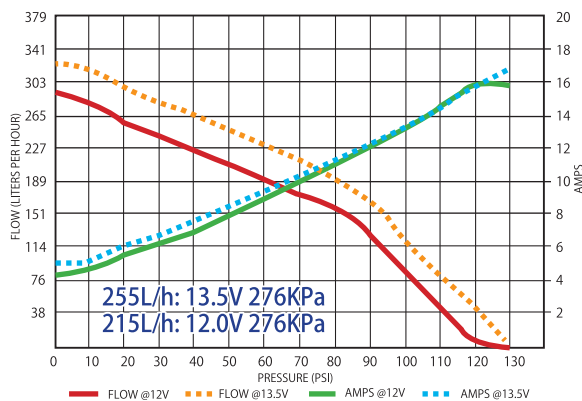

The kit-included adapter helps to fix the pump body onto the stock pump bracket securely and easily by the drop-in design.

Trochoid mechanism

High flow capacity yet almost identical to the stock pump in appearance.

Must for modified vehicles

From boost-up to larger turbo, 255L/h of stable flow rate is suitable for wide applications.

Kit of everything you need

Comes with wiring harness, seals and more. No need of going here and there for short parts.

For S14 / ECR33
