FORGED PISTON for 1JZ-GTE

**Available in 86.5mm and 87.0mm
to best suit each build!**

**A new and improved alternative to the factory stock,
perfect for rebuilds and upgrades!**

TOMEI's answer for 1JZ-GTE enthusiasts looking to keep their beloved vehicles on the road for years to come. Available in 2 bore diameter options to best suit each build.

It's hard to believe it's been over 30 years since this iconic engine first debuted. The 1JZ is renowned for its incredible durability, however over time, we've seen many engines develop cracks in the piston ring grooves, even when the ring lands remain intact. TOMEI's new piston kits offer the perfect solution to refresh your 1JZ before these hidden issues lead to bigger problems, especially in high-mileage vehicles.
